

First Dog Sports Membership Application

Application Date: _____

Welcome to FiDo Sports.

The name of our organization is First Dog Sports. We are here to promote all types of dog sports in the White Mountains by offering samples of different types of dog sports and competitive events.

Our mascot's name is FiDo and he is just the epitome of coolness. Our logo was designed around FiDo to remind us to stay focused on the principles that caused us to form First Dog Sports. First of all, our mascot is on a surfboard. When we designed our logo we did not want to design one sport over another and rather than a multi-sport logo, we chose a sport not common to the White Mountains. Like FiDo, surfers are just way cool and are all about fun so, while our logo is totally tongue in cheek and it is our goal to not take ourselves too seriously, but we believe we can be competitive at the same time.

If you plan to hang with FiDo and his gang you need to know we will count on you and your skills when it comes to planning and hosting events including training. We need you to find your comfort zone and pitch in for scheduled events.

We offer classes to help with your education presented by some of the most skilled competitors in the area. We also offer information and knowledge about various events available around Arizona and the greater South West and of course, the opportunity to just hang with the coolest dogs on the mountain.
